## Livingstone Adventist Academy Technology & Furnishings Campaign

The community of Adventist Churches which embrace our school, Livingstone Adventist Academy, have been greatly blessed with a state-of-the-arts school facility. The new gymnasium, the new industrial arts building, and now the new elementary/high school building are a strong testimony of commitment and generosity toward Christian education by our generous donors.

We all have taken on the challenge of funding \$300,000 for the technology and furnishings for the elementary/high school building. Through generous donations of matching funds and individual donations we have reached the amount of \$89,100 toward our combined mark of \$132,000. Presently, we are approximately \$211,000 short of our \$300,000 goal.

The move into the new school facility has already begun. So, our need for the technology and new furnishings is immediate. To be able to expect delivery of the new furnishings in time to place them in the classrooms before school starts in August, the latest we must place the order is by June 30, 2019. What are we actually speaking about which is needed: 9 additional touch screen monitors for the classrooms, chairs and tables for the elementary classrooms, cabinets in the classrooms, chairs and tables for the high school, audio system for the touch screen classroom monitors, iPad for elementary, shelving for the library, the list certainly can go on and on.

The needs are real as each one of you already know. What can we do to accomplish this funding task by the end of the month? A simple solution would be for 211 families to donate \$1,000 each. United we are able to more than meet this challenge. Look with me if you will in Exodus 36:6-7 regarding what Moses said about the materials needed for the tabernacle. ....“so the people were restrained from bringing more, because what they already had was more than enough”. The amount needed before June 30 is merely 1.91% of the donation of our new campus complex at Livingstone Adventist Academy and we are far from point of being able to hear what Moses said to the Israelites.

Let us all join together so that we can experience what God’s chosen people experienced when Moses came to them and said, “we have enough”. May God bless you as you prayerfully commit to this needed project.
