Dear Church Family,

My heart surgery has been a journey full of crazy twist and turns, but at Wednesday's doctor appointment they think they have found a sequence for my CRTD device that will work, so the talk of a second surgery has been dropped. I have 4 more weeks of limitations before we start increasing my activity levels. Your prayers, words of encouragement, cards, flowers, texts, and emails have helped me navigate this process. God has sent His angels to carry me through the rough parts. I look forward to the day I can pay your kindness forward to others. ❤️ Fonda
