HEALING PRAYERS

- 🔔 Update on Dave Parrett: Your prayers have helped tremendously!! Dave's drainage has stopped and the doctors have removed his drain tube. He will have to continue on 5-pound lifting precautions for several more weeks. He is feeling much better. Thank you for all your prayers, gifts, and love!!
- 🔔 David Hathaway has had several surgeries due to the seriousness of his burns from a couple week ago and those surgeries have gone well. We need to continue to pray for David!

Please take a moment and pray, asking how can you help your church family in the year to come and then fill in the survey. If you did not receive the survey, check you spam/junk folder, as multiple people again found the survey in their spam/junk folders. As we near the end of the school year, please keep the school – and specifically the Living Legacy Fund – in your prayers. If you are willing and able, please consider supporting the fund by sponsoring joggers in the jog-a-thon and/or by making a flat donation (*make sure to indicate "Living Legacy" on your donation*). Thank you for your continued support of Livingstone Adventist Academy.

EDUCATION SABBATH Adventist Education has come a long way since 1853 when Martha Byington opened the first known church schools for Sabbatarian Adventists in Buck's Bridge, New York. Today you'll find Adventist school in nearly 150 countries. This includes 85,000 teachers, 1.5 million students, 7,500 schools – the Adventist school's system is one of the largest Christian educational systems in the world. Research has shown that Adventist education is a step above the rest. Without the distraction of ever-changing government reforms and ineffective state policies, our schools can focus on what they do best: providing high quality, Christ-centered education to students. The end product? Successful students who are intrinsically motivated, academically prepared, and committed to a life of service.

- Did you know that over 85% of students attending an Adventist high school attend college?
- Did you know, of those students, over 80% complete a college degree? That is compared to only 14% of those graduating from a public school.
- Did you know that Adventist students who apply to medical schools, 34% are accepted? That's compared to only 9% of students from public schools.

TODAY'S SCRIPTURE: *Have you never heard? Have you never understood? The Lord is the everlasting God, the Creator of all the earth. He never grows weak or weary. No one can measure the depths of his understanding.*
